

# Ceremony of Circumcision for \_\_\_\_\_

*(All passages are read by parent(s))*

*In conformity with ancient and hallowed Jewish ceremonialism, I present my son, \_\_\_\_\_, for circumcision, to express the continuity of the Jewish religious process and to symbolize his birthright to the Covenant of Freedom.*

*(After the Circumcision)*

*May \_\_\_\_\_ grow in health and strength in response to the love and care his (mother) (father) and I will bestow upon him. May his dear ones ever rejoice in him and he in them, and let his life be a blessing to his parent(s) and to humankind.*

*(Addressed to the child)*
